

# HATTIE'S FAMILY

---

Here at Hattie's we pride ourselves on the overall experience of our guests, from the back of the house to the front. We are very fortunate to have a staff that genuinely loves the restaurant and stays with us. Many have started off as a dishwasher, busser or bar back and have worked their way to waiter or bartending positions and even general manager. (Some employees have worked every position!) We're happy that we have now added the second generation as part of our Hattie's family. We hope you enjoy your time with us and come back and see us again!
